[Sat 11th May to Sun 23rd June – Halifax Photographic Society Exhibition](#)

[A Photographic Exhibition on 'Halifax Choral Society – its 200th Season'](#)

[Venue: The Photography Gallery, Dean Clough Mill, Halifax, HX3 5AX](#)

Open 9am to 7pm daily, free admission.

The official opening of the event takes place at noon on Saturday 11th May 2019 in the main Art Gallery at Dean Clough.

The images are the result of a collaboration between the 2 societies and were all taken over a 14 month period during 2017 & 2018.

Exclusive and wide ranging access was given to the 3 photographers involved who were then in a position to record a unique set of images during each live concert performance, CD recordings, presentations and rehearsals.

These images have already resulted in a 100 page, limited edition photobook, a few copies of which are still available, and now this exhibition allows members of the public to see some of what each society does.
